RP requested the A.C.O. to post flyers he made regarding his missing dog in the local schools. A.C.O. spoke with me & was advised Artherton is a level 3 sex offender. A.C.O. removed Artherton's phone numbers from the flyer's and list the GPD phone number. A.C.O. contacted Mr. Artherton & advised he would post the flyers in public area (not the schools) and had put the dept number on the flyers. Artherton stated he was on his way to Bernardston PD. as well.

Contacted Trp. Gary Darling who was one of the coaches at the football game last night. Trp Darling confirmed Artherton was at the game asking kids about his dog. Trp Darling advised of Artherton's SOR level.

Contacted Rachel Joyce, Artherton's probation officer. She requested a copy of the flyer. One was faxed to her. She will show her supervisor & have a conversation with Artherton. Artherton has no outstanding conditions with the court other than no contact with victims and wear his GPS.

Called Bernardston PD and Montague Police Department. Montague PD had received the same flyer & Artherton requested their agency to post the flyers in the schools. They will remove Artherton's phone numbers and list GPD's number.

Advised Officer Westerling who will make contact with the schools in case Artherton attempts to get there on his own.

Mr. Boyer then claimed that Paquette was looking in the windows of his house at his girlfriend. Paquette denied this and said that he was just walking along the sidewalk looking for his blanket. 107 responded and assisted. Paquette was moved along and advised to stay out of the neighborhood until daylight. The Boyers were advised to call if he returns and not take matters into their own hands.

Narrative:

Report of a fight at this location.

Narrative:

No fight showing at this location. Bartender reports a large group (possibly fighting) walking west on Main Street toward the rotary.

Original RP reports the fighting males now running down the hill towards Dunkin Donuts and getting into a SUV which sped

off towards the rotary.

I initiated a m/v stop on this SUV moments later. Both front passenger and rear doors opened and subjects got out. Subjects ignored my commands to get back into the vehicle. K9 Tyko deployed and all passengers retreated into the vehicle. SP Assist.

This was found to be a work crew of 8 males who were intoxicated (except the driver). The fight had been "horseplay." All subjects checked for injury and WMS checks. They then headed off to their motel for the evening.

Narrative:

Met with Ted (hearing impaired, limited writing ability) where I attempted to gather information surrounding an incident he had with Jeanette Giminez who apparently came over, banged on the door, while inside caused a disturbance by throwing items around the apartment. I did not find any damaged property. Ted wrote "don't girlfriend, she bother, I called Dave Rice this morning." I attempted to tell him that I knew Officer Rice had met with him earlier this morning. He also wrote, "She tried hit me, I told her out." I did not find any signs of forced entry and at that time believed Ted had let her in the apartment. Ted gave me a phone number to call an interprater who was on video TV. I did not have a phone and Ted did not have a landline. Giminez had left the

Giminez and Renaud apparently later contacted TTY again with dispatch. Sgt. Dodge and Officer Sumner became involved.

Narrative:

Officer assisting citizen at this location.

Narrative:

Ms. Glidden filled out a walk in report stating her sister, Lisa was involved in a car accident on 95 South in Bridgeport Ct. At the accident Lisa supplied the police, Treasa's Ma license as her identify and Lisa did the same at the hospital she was transported to.

Ms. Glidden was advised to contact the Bridgeport CT police department. Ms Glidden said she already did. I pointed out she lives in Colrain, Lisa lives in NH and the incident happened in CT which means GPD has no jurisdiction over the caser. Ms. Glidden was further advised to contact the Registry of Motor Vehicle since it was her MA license used by Lisa. Ms. Glidden said she had done that but that but the Trooper told her he needed a good phone number to contact Lisa. I asked if the number for Lisa she list on the walk-in report had been given to the Trooper. Ms. Glidden said no. She was advised to contact the Trooper and supply him the necessary information so he can continue with his investigation.

I also found that Ms. Glidden had already filed a report with Officer Sumner regarding this same incident on 8/27/10. Ms. Glidden advise that Officer Sumner had already spoke with her regarding this incident. Copy of call from 8/27/10 was given to Ms. Glidden (call #10-21735).

Mr. Johnson called to speak with Det. Gordon

Narrative:

Mr. Johnson said his attorney told him to call to have this issue lifted but he was not to speak with me. I asked Mr. Johnson if he was still at court & he said yes. I asked why he was calling me if his attorney said not to speak with me. Johnson said he had called the SOR and they told him to call me to have this violation lifted. I explained he was arraigned at court today & given a date when he needs to return to court. Mr. Johnson said this is correct. I explained once a person is arraigned it's the DA's office that would dismiss or Nolle Process a case not the police department. I further advised Johnson is must report to the police department to verify is information so he no longer shows in violation with SORIS.
